

# Safaricom Roaming Activation and Charges

## PrePay:

Roaming is typically activated automatically, but it's wise to confirm before traveling.

## Post Pay:

1. Dial \*200# on your Safaricom line
2. From the menu, select "Products and Services"
3. Choose "Safaricom Roaming"
4. Select "Activate roaming service"
5. You'll be presented with two options:
  - Data, Voice and SMS (full roaming capabilities)
  - Voice and SMS Only (if you prefer not to use data abroad)
6. Read and accept the terms and conditions
7. Authenticate the request
